(INCLUDING CORRECTED AMENDMENT TO THE SPECIFICATION)**

**Introductory Comments**

In answering the Office action dated July 24, 2007 (hereinafter “the Office action”), the Applicant submitted a Response on August 16, 2007. Thereafter, the Office issued a Notice of Non-Compliant Amendment dated August 31, 2007 (hereinafter “the Notice”), indicating that an amendment included in the Response to one of the paragraphs of the specification of the present application was non-compliant for not including the necessary markings indicating which portions of the paragraph were amended. Please consider the following corrected section in conjunction with the Response previously filed.
